

MVCCCommonLib/Macros.h

```
graph TD; A[MVCCCommonLib/Macros.h] --> B[stdio.h]; A --> C[Types.h];
```

The diagram illustrates a header file dependency. At the top, a gray box contains the text 'MVCCCommonLib/Macros.h'. Two dark blue arrows originate from the bottom center of this box and point downwards to two separate white boxes. The left box, which has a light gray border, contains the text 'stdio.h'. The right box, which has a black border, contains the text 'Types.h'.
